publishing and operation

GRAVITY
GAME ARISE

Gravity Game Arise is a group of online game service professionals established in July 2019 as a global strategic company of Gravity (NASDAQ GM).

Taking full advantage of its experienced staff and the Gravity Group's global network, Gravity Game Arise develops attractive games in diverse genres such as online games, mobile games, and casual games for Japanese and global market.

BUSINESS

Game Publishing Business

Taking advantage of Gravity's global network, one of its greatest strengths, we source high-quality, excellent games, centered on MMORPGs, being developed in Japan and overseas, and develop their business in the Japanese and Asian markets. We promote the provision of attractive online game services through our publishing business.

Game Development Business

Leveraging the MMORPG know-how cultivated in Ragnarok Online, we promote the development of exciting games in various genres such as online games, mobile games, and casual games. Through Gravity Game Arise's game development business, we cultivate game services in and for Japan and overseas for games that can only be developed here.

Indie Game Business

Leveraging our global network of more than 122 countries and regions, we are endeavoring to promote the new project "Gravity Indie Games" that discovers and spreads amazing indie games to players around the world.

Founded in April 2000, at the dawn of the online game industry, Gravity is a global online game company listed on the NASDAQ Global Market in the United States. The masterpiece MMORPG "Ragnarok Online" developed by Gravity is currently expanding not only in Asian regions such as Japan, Thailand, the Philippines, and South Korea, but also in Greater China, Europe, North and South America, Oceania, etc. Currently, the service is available in over 91 regions, and has been loved by many fans in Japan since 2002. In addition, "Ragnarok Online" won the number one export game in South Korea for three consecutive years, and has set many records over the past 17 years, including over 70 million members worldwide. Gravity will continue to develop high-quality online games and actively new develop global services.
